We are pleased to announce that Rush Arts Gallery has been invited to participate in the 2009 SCOPE International Art Fair. SCOPE New York's 50 invitees will uphold its unique tradition of solo and thematic group shows presented alongside museum-quality programming, collector tours, screenings, and special events. Introducing artists, curators, and cutting-edge galleries to new audiences internationally has made SCOPE the most comprehensive destination for the emerging art world available anywhere. With art fairs in Miami, Basel, New York, London, and the Hamptons, SCOPE is proud to be an influential presence in the expanding global art market.

For SCOPE New York, Rush Arts Gallery presents *Small is the New Big*, a diverse collection of minute sculptural objects that operate as modest gestures and meditations on grander concerns, often highlighting the increasingly complex relationship between scale and value.
